

STYLES STREET CHILDREN'S COMMUNITY LONG DAY CARE CENTRE

Monday 15th August 2011

STAFF NEWS

Katie is on Annual Leave from the 15th—24th of August.

Linda S is on Annual Leave from the 22nd– 29th August.

Rosanna starts her Maternity Leave on the 5th of September 2011.

ROUTINE

The Centre recommends that children attend from 9.00am to 3.00pm to gain the benefit of the educational program and activities. Arriving before 9.00am also allows the children to settle into the day during free play and often provides them with the opportunity to select activities and experiences for the day.

MAINTENANCE PERSON

We are currently looking for someone to complete odd jobs and small maintenance around the centre. If you know of anyone please let Tracey know.

SUN HATS

The warmer weather is creeping up on us. Please make sure that you pack a sun hat for your child every day to ensure positive sun safety practices.

DRINK BOTTLES

Please remember to take your child's drink bottle home at the end of your week for cleaning.

ENROLMENTS FOR NEXT YEAR

Please let Tracey know if you have any children that you are expecting to attend next year that do not attend this year. We are starting the enrolment process from the waiting list and we want to ensure that all siblings are enrolled first.

MENU AND NUTRITION

There have been concerns that there are too many carbohydrates offered in the daily menu. In September we will be trialing fruit and proteins only for morning tea.

Please let Tracey know if you have any questions or concerns.

ILLNESS & EXCLUSION

We have had several children and staff in the last couple of weeks come down with viral infections. The viral infections have generally been a cough, fever and runny nose. The cough has been quite severe. Unfortunately there is no way of excluding this or providing further information as each individual has come down with different symptoms. Please think of others before sending your child to preschool if they are coughing or are generally unwell.

NOTE FROM DEBBIE

Debbie wanted to say thank you to all of the families who offered support, kind words and gifts in the preparation for her new baby. She was very moved by all of the well wishes and thoughts from all of you.
