FEATHERDALE WILDLIFE PARK EXCURSION

We had a great time at Featherdale Wildlife Park. From the moment the children stepped onto the bus and started singing Karaoke on the microphone, to see the animals, having a BBQ and last but not least an enjoyable ice block. It was such a hot day however this did not impact on the amount of fun that was had by children, families and staff. Thankyou to everyone who participated and lent a helping hand.

WORKING BEE

Thank you to all the families who participated in the working bee.

ANY EXTRA WOOL???

The staff in the kangas room are making a new throw rug for their room with the children. If you have any spare wool laying around we would greatly appreciate the donation.
